

## Course

### Course Description

# EWIS - TRAINING

## ELECTRICAL WIRING INTERCONNECTION SYSTEM

The EWIS Training is a web-based training solution, **based on EASA AMC 20-22 and FAA AC120-94.**

EWIS Initial and Continuation Training is now mandatory in order to comply with the training requirements in paragraphs 21.A.145 and 21.A.245 of Part-21, 145.A.30 and 145.A.35 of Part-145 and M.A.706 of Part-M with respect to EWIS for EASA. For the FAA these requirements are covered in Sections 121.375 and 129.14 of 14CFR.

As the training will be presented on a generic level, an additional introduction into the real application for the aircraft types in use shall be added by the customer in a classroom session.

*Also Practical Training (for target group 1 & 2) can be offered.*

### Target Groups

<b>Course A</b>	<b>Group 1 &amp; 2</b>	B1 & B2 licensed personnel and avionic skilled workers
<b>Course B</b>	<b>Group 3</b>	Electrical/avionic engineers
<b>Course C</b>	<b>Group 4 &amp; 5</b>	Cat A licensed personnel or personnel performing other engineering and planning work
<b>Course D</b>	<b>Group 6</b>	Other service with duties in proximity to EWIS
<b>Course E</b>	<b>Group 7 &amp; 8</b>	Flight Deck and Cabin crew

### Course Topics

#### The EWIS Training includes the following modules:

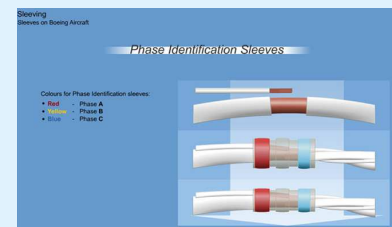

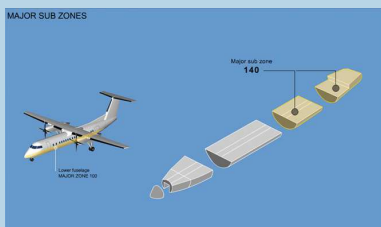

- General Electrical Wiring Interconnection System Practices
- Wiring Practices Documentation
- Inspection
- Housekeeping
- Wire
- Connective Devices
- Connective Device Repair

### Course Duration

Course A - 8h / Course B - 6h / Course C - 3,5h / Course D - 2h / Course E - 1,5h
