

## Letter of Conformity

This is to confirm that the

**“Dangerous Goods Training 2018 for Categories 7 to 11 and 13 to 17 “**

provided by infoWERK Medien & Technik GmbH, setup on the LMS Training Portal is in compliance with:

**ICAO Technical Instructions for the safe transport of Dangerous Goods and  
IATA DG regulations 58th edition**

Training subjects shall include but are not limited to the following (when applicable for the Category):

- General philosophy
- Limitations
- List of dangerous goods
- Labelling and marking
- Shipper's Declaration and other relevant documentation
- Recognition of undeclared dangerous goods
- Storage and loading procedures
- Pilots' notification
- Provisions for passengers and crew
- Emergency procedures

All requirements and updates are documented in infoWERK's internal Quality Management System.

The Dangerous Goods Training 2018 is currently approved by:

- ACG (Austrian authority) for DG Recurrent Training for CAT 7-11
- FOCA (Swiss authority) for DG Recurrent Training for Cat 10&11, 16&17

Please make sure you still inquire about your country regulations for additional national laws.

Wolfgang Lachinger  
CEO

Innsbruck, February 2018

## **Significant changes and amendments**

The Dangerous Goods Training 2018 has been revised to reflect the latest international air transport regulations.

The training is based on the IATA Dangerous Goods Regulations 2018, 58th edition, and includes the following changes:

- Limitations on the number of spare lithium batteries and portable electronic devices carried by passengers and crew;
- Information on the handling of batteries has been revised;
- Table 2.3.A has been replaced and provisions for DG carried by passenger or crew have been updated accordingly;
- Segregation requirements for lithium batteries from flammable dangerous goods has been updated.
